WANDERING PRESIDENT: Neil was to announce a few appointments in this issue of
Timber Talk, however he and his wife are enjoying a cruise to Alaska. The
announcements will appear in the October issue.

AUCTION: Our Secretary-Treasurer Al Munro of Box 2643 - Stn. 'M', Calgary, Alberta
T2P 3C1 Canada has again agreed to conduct our auction. As previously it will
consist of a donation auction as well as a consignment auction. The consignors
will be charged 10%, with all buyers paying postage. The closing date for receipt
of wood is October 20, 1983. The auction listing will appear in the November issue
of Timber Talk. Please clearly indicate which wood are being donated and which
wood are on consignment. If wood is to be sold in a set please indicate this.
The auction is one way that you can help the CAWMC. Please find a few duplicates
to donate and/or consign. Our last auction (1981) was very popular so maybe we
can fill a few gaps in our collection again.

ADDRESS: Is your name and address correct? We received a few changes from last
months mailing. If there is an error please advise. It had been noted that for
a number of issues of Timber Talk there was no return address. This month we
received 4 'returns.' Two members we are still trying to track down are:
William B. Layne formerly of McLean, Texas and Frank J. Mitten Jr. of Coraopolis,
Pennsylvania. Does anyone know where they have moved to????

FREE WOOD OF THE MONTH: Garry Braunwarth has donated the following wood for
distribution to members of CAWMC. 1000 were printed in blue and handed out
at the CNA in Moncton in July.

Thanks to members donating wood
for distribution via Timber Talk.

C. N. A. CONVENTION WOOD - MONCTON, NEW BRUNSWICK - JULY 20-23, 1983 by Earl J. Salterio

The writer was pleased and honored to accept the appointment of CAWMC Club Delegate to represent our Association at the Club Delegate's Breakfast on July 23rd in Moncton. The only regret, I was forced to miss the CAWMC Breakfast held at the same time, but managed to take in most of the meeting that followed. [Ed. note - Earl's Club Delegate Report will appear in a future issue of Timber Talk.]

May I add my congratulations to those of our outgoing President Stan Clute to the new executive and wish them every success for their term of office. The following, to the best of my knowledge and belief are the WOODS made available to members at the Convention. If i've missed any, it is not intentional, but only that I did not receive one or was not made aware of its availability. If anyone has, or is aware, of any wood I missed please let me know. You can contact me care of the Editorial Office at the address indicated at the top of page 1. Incidentally, while I have a specimen of each in my own collection, I have no duplicates, except for my own. I will trade on a one for one plus SASE for one of your duplicate Canadian wood. GOOD COLLECTING!!!!

EDITOR'S NOTE: Earl's article took $3\frac{1}{2}$ hours to put together!!!! I hope someone out there reads it!

OCTOBER TIMBER TALK: Due to the extraordinary length of the above listing, and hence this issue, a number of articles, ads, etc. will appear next month. This includes the write-up of the Wood Show in Niagara Falls and in Calgary. We thought of splitting the above article and putting it in two issues but thought members would rather see all the wood at one time.

ARTICLES: As Dean Martin used to say "Keep those cards and letters coming." We can always use more articles, new wood listing, want and for sale ads, etc., etc.

WANTED: Norman Fletcher, a well-known U. S. Collector, of P. O. Box 222, Bay St. Louis, Missouri, U.S.A. 39520 has written stating that he has started collecting Spruce Dollars. He is interested in obtaining any issued before 1980. If you have any earlier issues to spare why not drop Norm a line.

CAWMC FORTHCOMING MEETING: Don Robb advises that the Stratford Coin Club has invited CAWMC members to hold a meeting of CAWMC at the Stratford Coin Show on October 30, 1983. A room for the meeting will be available free of charge. Also, CAWMC Member Ken Wilmot of Stratford (R247) is donating a Stratford Wood Flat of 1937 issue to be auctioned off at the meeting with one-half the proceeds going to CAWMC. Probably we can have a donation auction in addition to help raise funds for our depleted treasury. All donations are welcome. Please send to Don Robb - P. O. Box 724 - Waterloo, Ontario N2J 4C2 Canada. The Stratford Coin Show will be held at the Kiwanis Community Centre on Lakeside Drive in Stratford. Don suggests that our meeting be set for 1:30 PM. Room and coffee donated by Stratford Coin Club. [Thanks Don, Ken, and Stratford Coin Club.-Ed.]

CALGARY AQUARIUM WOOD by Al Munro - Box 2643 - Stn. 'M' - Calgary, Alberta T2P 3C1 Canada.

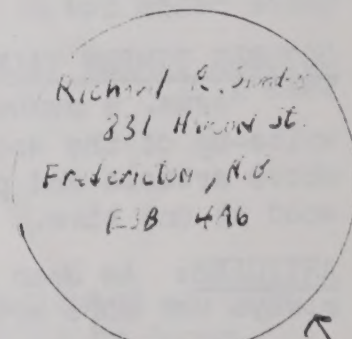

Calgary Wooden Token Issued - On September 3, 4, and 5th, 1983 the Calgary Aquarium Society held their twelfth International Aquarium Show. The show was held at the Junior Achievement Building and was apparently a success. A wooden token was issued to serve as an admission token and as a souvenir. I have obtained what tokens were not used at the show and these are available on a one for one trade of another Canadian token with SASE (Canadian Stamp Only) or 50¢ each plus SASE. I have also obtained some 1981 tokens (none issued in 1982) which are available on the same basis. Both issues are black.

WOOD AVAILABLE: John Curtis sent the wood shown at the right. In his note he states "I presume members can obtain specimens from Larry at the usual price and a SASE." [Ed. Note - I would suggest sending 50¢ + SASE.] Wood is black.

ANOTHER WOOD AVAILABLE: Richard R. Saunders (CAWMC # R-322) of 831 Hanson Street, Fredericton, N. B. E3B 4A6 Canada advises that he has the wood pictured at the right available at 50¢ each + SASE. Richard's name and address is in blue, the other side is red.

See you all next month. Happy Collecting.
